Special Remarks Regarding Horse:

Please let us know any details about donated horse. Write down any comments regarding such things as mounting and dismounting habits, bridling, bridle settings (curb chain, cavesson) grooming, stall manners, etc. Remember the more we know, the better your horse can compete in this event and the safer both horses and riders will be. We want the best for each horse and rider.

The horse will receive a new World Cup sheet, leather halter and lead shank. We will be shipping them home with these items. Please be aware that this is our policy. We will supply your horse with feed tub, water bucket and bedding as well as grooming care during the week. The show veterinarian will be on call at all times and will be the only person allowed to administer any medications other than something that is indicated on this form and is within the USEF rules concerning the use of drugs and medications. If you feel there is a special circumstance regarding your horse's health or soundness, please speak directly with Barn Manager Jeremy Grenier.

IMPORTANT: THE US Saddle Seat World Cup Committee strongly suggests that all horses participating in the 2010 International Saddle Seat World Cup event be managed with best practices for strategic worming and routine vaccinations including Flu/Rhino and Rabies.

**Your horse will be featured on the World Cup website and in a special event program!!!
